

Louisiana PTA is enormously proud of its educational child advocacy work over the last **100 years**. It starts with a parent in a classroom and extends to meetings in Washington, D.C. with politicians. LAPTA is looking for Mission Partners to work together to support all children in reaching their full potential. Mission Partners are nonprofits or other groups whose focus is to improve the lives of children and encourage family engagement. We value our relationships with teachers and educators who are the “T” in PTA. Together, we all play a major role in furthering this important mission.

Why do we PTA? Why are we here?

To make **every child’s potential a reality** by engaging and empowering families and communities to advocate for all children.

As a 501(c)(3) non-profit, LAPTA offers different avenues to help all children reach their potential by advocating for children at local, state, and national levels. We also have the Local PTA Units who do PTA work, community outreach, and more. LAPTA supports those efforts through 54 grants, more than 225 awards, and dozens of programs for teachers, students, and local PTAs. The innovative programs and grants focus on topics such as STEM, literacy, mental health, student leadership, comprehensive arts programs, healthy earth, anti-bullying, anti-drug, sustainability, inclusion, diversity, internet safety, community outreach, and much more. **Can we support each other and become Mission Partners?**

Louisiana PTA represents more than 811,000 students from Pre-Kindergarten through Grade 12.

Volunteer work, especially when it involves children and their education, makes a significant impact on the community. Join forces with LAPTA’s nonpartisan, nonsectarian, and noncommercial advocacy work and we all will benefit. Meet with LAPTA to discuss how we can support each other. For those wanting to financially support LAPTA, become a Friend of LAPTA at LouisianaPTA.org/friends.
