Training Certificate

All elected officer positions (President, VPs, Treasurer, and Secretary) are required to receive 4 credits of Leadership Training Courses from LAPTA. This is done in-person in August, over Zoom trainings in September which are recorded, or one-on-one between LAPTA and the Local PTA Unit. We encourage all Board members to receive training as they are the future leaders of your PTA. Officers need 4 credits with each course counting as one unless otherwise noted. In-person Leadership Development Day training satisfies all 4 credits. For details on training, see LouisianaPTA.org/training.
