National PTA’s Reflections program is an acclaimed student recognition experience that encourages artistic creativity and supports students in exploring their thoughts, feelings, and ideas through their art pieces. This year students in our schools supported by Local Louisiana PTA units participated in and explored the arts based on the theme, “I Am Hopeful Because...”.

We are pleased to announce our judges have selected twenty art pieces as outstanding submissions! LAPTA has advanced those entries to National PTA for judging. National PTA will announce their results on May 1, 2024. Good luck to all the Louisiana student artists selected as our National Entries for the final round!

The Louisiana PTA Reflections program could not exist if it were not for our many local unit volunteers across the state! They make the time to learn about the program, publicize it, provide guidance to the artists, and input entries into the on-line portal for judging. We cannot say **“Thank You”** enough!
